meet your future needs?

8 What home care and maintenance problems do you feel
competent enough to do yourself?

**TAKE
THE
QUIZ**

YOU AND YOUR HOME

Approximately 30 percent of a family budget is required for housing, furnishings, maintenance, and utilities.

You may want to stop and think about your present situation. Does your home adequately meet your needs now? Are you getting your money's worth?

Want to:

- Learn how to meet your housing needs?
- Improve your skills as a do-it-yourselfer?
- Use energy and utilities more efficiently?

Contact the home economist at your County Extension Service.
